

Fabulous Five News

“The Word became flesh and made his dwelling among us. We have seen His glory, the glory of the one and only Son, who came from the Father, full of grace and truth.” John 1:14 (NIV)

The students have been working hard and showing more independence in their school work. Thank you for entrusting your children to us. Please pray for us as we continue to help them grow spiritually, academically, and socially.

In Christ, R. Homann, G. Jullion, H. Thompson, and D.Vriend

Easter Concert

Monday, March 16th at 6:30 pm at Bethany Chapel. (We require all students to be at the Chapel by 6:00 pm and seated on the stage in Concert order by 6:15).

Curriculum

Language Arts

The students will continue working on their writing skills by working on strong beginnings, adding powerful and elaborative detail, and strong endings in narrative and expository texts. Work on developing reading strategies will also continue.

Social Studies

The students will continue working on *Histories, Stories, and Ways of Life in Canada*.

Science

5TJ - Classroom Chemistry
5H and 5V - Electricity and Magnetism

Math – We will be working on decimals before moving onto measurement. Practicing the multiplication facts is always an essential skill the students continually work on.

Bible – We are learning about the kings of Israel and what we can learn from their stories for our

own Christian journey.

Memory Work – “Get rid of all bitterness, rage and anger, brawling and slander, along with every form of malice. Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you.” Ephesians 4:31-32

French - Through songs, videos and a webquest, the French 5 students recently explored the annual francophone winter celebration - "Le Festival du Voyageur" and they successfully applied their knowledge of seasonal clothing to describe the clothing worn by "le voyageur." This brings our unit to a close and the unit test for "Seasonal Clothing" is scheduled as follows:

5V & 5TJ - Tuesday, March 3

5H - Wednesday, March 4

Although we have already spent time in class completing review, please be sure to refer to the Google Classroom for additional study materials, including flashcards, games, vocabulary lists and practice questions with answer keys.

Teaching for Transformation (TFT)

When you hear your child talk about "throughlines" they are mentioning faith connections that we talk about at Calgary Christian School. These "throughlines" are the tools we use, or the roles we can play in restoring God's Kingdom to what it was intended to be. We can be creation enjoyers, God worshippers, idolatry discerners, earth keepers, justice seekers, servant workers, order discoverers, beauty creators, image reflectors and community builders! So the next time you hear one of these throughlines mentioned or even demonstrated through your child, remember that these are the tools being used to make the world a better place.
